## Report on MIME Activity.

On 5.3.15 (Saturday) Day 5 on 4 hour,  
we (III CSEB) conducted MIME Activity.

The entire class was separated into 3 groups namely Postcard, Nano and Phoenix. Each teams prepared 5 keywords related to Artificial Intelligence (Representation of Knowledge).

The team leads are asked to submit the keywords prepared to the activity coordinator.

From each team, a volunteer was called and a keyword is given to them.

The Volunteer must act the keyword given to him/her to their teams. The groups are expected to find the keyword acted by their own team volunteers.

Incase they fail to find, the chance is

given to the next team. The time limit for each keyword is 1 minute.
